**Who:** High School Transition Team  
**When:** Thursday, November 11, 2004 at 7:00 p.m.  
**Where:** 1123 Lexington Blvd.

The High School Transition Team will be making a presentation at the Board of Education Meeting on Thursday, November 11, 2004 at 7:00 p.m. at 1123 Lexington Blvd. The Board of Education decided to develop a committee to work on and develop a plan for a successful high school transition from two high schools to one. There was an application process and a selection process. Membership includes parents, students, community members and staff.

The purpose of their presentation is to introduce their membership and describe their committees. Each committee's team chair will present the specific committee's vision statement. The High School Transition Team has created working groups that exist for a specific purpose and activity.

The High School Transition Team has created a website that will be easily accessed through the district website. The Team can be contacted for questions, concerns, and comments by: e-mail [hstransitionteam@royaloakschools.com](mailto:hstransitionteam@royaloakschools.com), mail (Transition Team, 1123 Lexington Blvd., Royal Oak, MI 48073), voicemail messages at 248.435.8400 ext 406. There will be question and comment boxes located at the secondary schools (both the high schools, middle schools and Churchill Community Education Center).
