

# ROMS SCHOOL SUPPLY SUGGESTIONS

ROMS Families,

As you prepare for the upcoming academic year, we want to share the school supply list with you. Please keep in mind that the list is meant to be a helpful guide rather than a strict requirement. We understand that each student's needs and preferences may differ, and we encourage you to use this list as a starting point.

If you find it challenging to acquire all the items on the list, don't worry-our teachers will be understanding and supportive of any limitations and we will do anything we can to make sure your student has anything they need to be successful in middle school.

Keep enjoying your summer!
