COMMITTEE DESCRIPTIONS

Finance & Facilities: This committee works with the Executive Director of Finance & Operations to provide direction for district asset management and planning. The committee monitors budget reports, reviews facilities and site utilization, and provides input on both financial and facilities planning.

Arts & Preservation: This committee supports historic preservation efforts (for example, the mural restoration project) throughout the district.

Curriculum Advisory: This committee provides direction to the board regarding the district's educational priorities and goals. Programs and materials to achieve goals are reviewed, with recommendations then being made by this committee to the Board of Education.

Communications: This committee is charged with providing guidance and oversight for all district communications. The committee supports the development and dissemination of the vision, goals, and plans of the school district.

Wellness: This committee provides direction, oversight and builds awareness to support health-promoting activities.
