Dear families,

With this unique school year at hand we wanted to provide you with two recommended supply lists. The first is a list of items to help your child during the time we will be learning remotely at home. The second is a list of supplies for when we return to face-to-face instruction. Please keep in mind that when we are in person we will likely not be able to share supplies so we are recommending each child have their own. Many of these materials are on sale right now so we thought it would be good to let you know so you could get a jump start on getting them now if you wish. Thank you in advance for your partnership!
