OPERATING MILLAGE PROPOSAL

This proposal would restore and extend the authority of the Royal Oak Schools to levy the number of mills for operating purposes on taxable property in the School District required for the School District to receive the full foundation allowance permitted by the State and allow the district to continue to levy the statutory limit of 18 mills on non homestead property in the event of future Headlee rollbacks of up to 1.25 mills. The existing authority expired with the School District’s 2020 tax levy.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Royal Oak Schools, County of Oakland, Michigan, be increased to 19.25 mills ($19.25 per $1,000 of taxable value), with 18 mills being the maximum allowable levy ($18.00 per $1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 3.4 mills may be imposed on principal residences, for ten (10) years, the years 2021 to 2030, inclusive, to provide funds for operating expenses of the school district? This millage would raise approximately $23,015,998 in the first year of levy.
