Dear Royal Oak Community,

It is with great pride that we congratulate the Class of 2018!

The Royal Oak High School, Churchill Community High School and Royal Oak Continuing Education graduations were very special events for the graduates, their families and friends. There were many special moments as the accomplishments of students were showcased and praised. My advice to our graduates has been to take what they have learned in the classroom, on the field, or the stage and launch on a journey to pursue what they desire.

The last few weeks of the school year are filled with opportunities to honor our all of our students, thank our hard working staff members, and recognize the vast support we enjoy in the district from the greater Royal Oak community. The ongoing support for the schools from our board members, city officials, businesses, and parent groups is vital to the success of our students.

Our district offers a wide variety of opportunities for students to excel in all areas of a well-rounded K-12 educational experience including challenging academics, creative arts and competitive athletics. In addition to photos from our graduations, you will find on the following pages just a few stories that highlight how remarkable our district is. Our social media pages (@RoyalOakSchools on Facebook and Twitter), plus our website, aim to showcase our community of staff and students, although it can be difficult to keep up! Again this year, students have taken advantage of leadership roles with their peers, internships, Career Focused Educational training, online classes, and early college enrollment, and I know that those around them are not only proud, but also inspired.

Our students have a full Community of Excellence behind them, and we look forward to the joys next school year will bring.

Sincerely,

Mary Beth Fitzpatrick, Superintendent
Royal Oak High School

To produce the ‘2018 Best High School’ ranking, U.S. News worked with RTI International, a global non-profit social research firm. A four-step process was used to rank all eligible schools. The first two steps were to determine whether students were performing better than statistically expected in the state and whether minority students were performing at or better than the state average for minority students. The third step required schools to meet or surpass a certain graduation benchmark and the final step was to determine college readiness.

Young Oaks Before & After School Child Care Program

Royal Oak Schools offers a fee-based before and after school child care for school-aged children at each of the six elementary schools.

The Young Oaks Program emphasizes a comfortable, supervised atmosphere that includes activities that will enhance the child’s physical, social and academic growth.

The program is fully licensed by the State of Michigan and follows all of its guidelines. The staff is fully trained in CPR and first aid and receives additional appropriate in-service training throughout the year.

We offer care before and after school, as well as on most vacation days. In addition, summer camp is available during the summer break. For a nominal additional fee, parents can purchase “inclement weather” coverage in the event that schools are closed for an unpredictable reason.

For more information regarding the fee structure of the Young Oaks Program, call Evelyn Maurer at (248) 288-3220, Ext. 3561.

Royal Oak Schools Schools of Choice Applications

Royal Oak Schools is currently accepting Schools of Choice applications for school year 2018-2019 for students entering grades K-3 in September of 2018. The application window is March 5, 2018 through August 1, 2018. The district will accept a limited number of Schools of Choice students in grades 4.5, 6, 7 and 8. The application window will be from June 1, 2018 through June 29, 2018. Eligible students must reside in Oakland County.

Schools of Choice applications are available on the district website, www.royaloakschools.org, and at the District Enrollment Office, 800 Devillen, Royal Oak, 48073. The Enrollment Office is open daily from 7:30 a.m. to 4:00 p.m.

The assignment of students to schools and classrooms will be on a space available basis. Once students are enrolled as Schools of Choice students in the district they may continue to attend through high school graduation, provided their enrollment is continuous.

For all Schools of Choice enrollments, the district reserves the right to refuse to enroll any non-resident applicant if that applicant is or has been suspended from another district within the preceding two years or if the applicant has ever been expelled from another district.

For additional information, call the Enrollment Office at (248) 435-8400, Ext. 1260.

ELA 12 students make a difference with service project

Every year, the students in English Language Arts 12 classes at Royal Oak High School develop a service project, and this year’s group of seniors certainly made an impact.

“The comprehensive project runs throughout the semester, beginning with inspiration from a novel, building to investigation of a problem and moving to planning a project to make a difference,” Leah Barnett, ELA 12 teacher, said. “Finally, they carry out the project and reflect on the learning.”

Students choose an organization after a thorough research process and then develop a service project plan. Students choose to volunteer their time, organize collections for goods, or raise money through activities like bottle drives, t-shirt sales and handmade jewelry sales.

“This project encompasses more literacy standards than any others that I have taught,” Barnett said. “It allows students to track their ideas and design and carry out projects that have a huge impact on making our community better in various, exciting ways. These students go above and beyond because they have ownership and agency to make change.”

With the help of the community, students doubled the amount raised last year, and almost tripled the previous class’s volunteer hours. The 2018 ELA students raised more than $42,000 for dozens of charities like:

- The Royal Oak Animal Shelter
- Cystic Fibrosis Foundation
- Alternatives for Girls
- St. Jude Children’s Hospital
- Hungry for Music
- Forgotten Harvest
- Special Olympics
- The Nature Conservancy
- Mental Health America

Royal Oak Schools bond work begins to show progress

Small projects are happening around the district due to the Royal Oak bond sale passage in November 2017, but the most visible work is currently going on at Royal Oak High School.

The new athletic plaza construction, scheduled to be finished for the fall of 2018, is currently underway. Top soil has been stripped and stockpiled, trees have been harvested (new landscaping once buildings and structures are in place) and the framework for new concessions stands is in place.

Separate from bond work, updates to the ROHS pool will include structural steel updates, a roof replacement and new ceilings and light fixtures.

Beginning in the 2018-19 school year, projects across the district will include technology upgrades, updates in learning spaces and other facility improvements.
**Summer Sports Camps**
