A Community of Excellence

A Community of Excellence: Our district vision is at once both descriptive and aspirational. It describes who we are and who we strive to be.

Community is the context for all that we do. Community is built upon collaboration, cooperation and communication. Community is inclusive; in a true Community there is room for ALL. Excellence is the standard we set for ourselves. In everything we do, our goal is Excellence.

Over the past 35 years, my professional life has been devoted to work in both public education and faith communities. Since July 1, 2011, it has been an honor and a privilege for me to serve as Superintendent of Royal Oak Schools. Effective June 30, 2017, I will be leaving to return to full time employment with a faith community.

While I am certain about the decision I have made, this transition for me is bittersweet. For nearly six years, Royal Oak and Royal Oak Schools have been my home. Our district employees, students, families and the community of Royal Oak are exceptional and they will always be special to me.

One of my core beliefs is that while transitions present challenges, they also offer opportunities. Royal Oak is fortunate to have a highly effective community-elected Board of Education. Our Board of Education members are actively working with the Michigan Association of School Boards on a very intentional superintendent search process. Complete information about the process is available at: www.royaloakschools.org/district/superintendent-search/

I am proud of the work which I have accomplished in our Royal Oak Schools. And, I am excited to see the great work yet to be done. Knowing that our district vision to be a Community of Excellence will continue to guide the way, I am confident in that which is yet to come for our students, our schools and our community.

Sincerely,

Shawn Lewis-Lakin, Superintendent of Schools
Royal Oak High School to Host Open House and Personal Project Exhibition

Royal Oak High School (ROHS) will host its annual Open House on **Wednesday, March 29, 6:00 p.m. to 8:00 p.m.** The event will highlight a variety of opportunities for incoming students, while showcasing programs in academics, visual and performing arts, as well as the athletic program.

In addition, the event will feature the 10th grade Personal Project Exhibition. As part of the International Baccalaureate Middle Years Programme (MYP), all 10th grade students are encouraged to engage in the Personal Project, the culmination of the MYP experience. Personal Project work began in September with 10th grade students working with supervising teachers and mentors to plan and design a project of their own choice that was created over the winter months. Most projects required an average of 25 hours of work and research to complete. During the course of the projects, students wrote process journals and reflections, communicated with teacher supervisors, and wrote or created audio/video reports on their completed projects.

These projects will be displayed at the Open House and will also be adjudicated by a team of ROHS teachers. Students will receive recognition at graduation and on their transcripts for their projects.

**ROHS Sophomore First Place Winner in Auto Show Poster Contest**

The 2017 North American International Auto Show (NAIAS) announced the winners of its 29th annual Poster Contest for budding artists in high schools across Michigan.

Spencer Barrer, a sophomore at Royal Oak High School, received first place for the 10th grade and a $500 award.

The contest – open to Michigan students in grades 10 through 12 – drew 890 entries from 70 schools.

The posters were reviewed and judged by the 2017 NAIAS Chairman, a General Motors automotive designer, a College for Creative Studies instructor and State Farm Insurance representatives. The winning posters can be viewed on the Poster Contest page on the NAIAS website and was displayed at NAIAS.

“The work and creativity displayed by these young people is an exciting window into the future as to the talent the automotive design community may one day be the beneficiary of,” said Sam Slaughter, 2017 NAIAS Chairman. “The winning posters are examples of what this contest is all about: the creative minds of Michigan’s future and a passion for the industry.”

**ROHS New Student Enrollment**

Students who reside in the Royal Oak School District but are not currently enrolled in a Royal Oak School may contact the Royal Oak High School principal’s office to schedule a tour at 248-435-8500, Ext. 1078.

**How to Enroll**

For students not currently attending Royal Oak Schools, enrollment for ROHS takes place at the district enrollment office located at 800 DeVillen. For information about the district enrollment process, click on the Enrollment tab at www.royaloakschools.org or call Coleen Hella, Enrollment Coordinator, at 248-435-8400, ext. 1260.

The website provides step-by-step instructions and all the necessary forms required to complete your new student enrollment. Complete the online pre-enrollment (submit and print this document). Bring your printed online enrollment to the Board Office along with your 2 proofs of residency, student’s original birth certificate, immunization record, completed Residency Affidavit, Technology Form, Concussion Form, and Request for Education Records (if applicable).

For additional information, see the article on **Enrollment/Registration Required Documents** (page 5). Please note that a transcript is required for high school enrollment.

After district enrollment paper work is completed, students will meet with a ROHS counselor, who will review academic progress and work with the student and his or her family on course selection. **For additional information regarding ROHS, call 248-435-8500, Ext. 1078.**
Royal Oak Model UN Team Earns Highest Honors

Royal Oak High School’s Model United Nations (ROMUN) team earned the highest honors at the Great Lakes Invitational Model UN Conference (GLIMUN). They also received the Best Delegation award for India, students junior Henry Smith, junior Braden Porterfield, and sophomore Laura Lynch.

In addition to the team award, several individuals of ROMUN’s team earned high accolades. Senior Brendan Slusser won a first place Best Delegate honor for his representation of Egypt in the Science and Tech Committee, junior Megan Mueller won an Honorable Mention for Burkina Faso in the Disarmament Committee, and Henry Smith also won Honorable Mention for India in Special Political Committee. Senior Olivia Decker earned Honorable Mention in the prestigious Security Council as Egypt.

Several on the ROMUN team were honored as major speakers at the conference: juniors Henry Smith, Megan Mueller, Heather Rose and Adrienne Parks.

Career Technical Education at ROHS

Royal Oak Schools offers a variety of Career and Technical Education programs for high school students. These programs are designed to prepare youth for a broad range of employment and are offered under the guidance of certified teachers, counselors, and cooperative education coordinators. The following is a list of programs currently being offered on site at Royal Oak High School:

- Health Sciences
- Graphic Communications
- Drafting/Design Technology (C.A.D.)
- Marketing Sales and Services
- Finance & Financial Management Services
- Business Administration Management and Operations
- Radio and TV Broadcasting Technology

In addition to the Career and Technical programs offered on-site at Royal Oak High School, Royal Oak High School students have the opportunity to enroll in programs housed at Oakland Schools Technical Campuses (OSTC). Programs available to Royal Oak Students at these campuses include the following:

- Biotechnology
- iTeam
- Cosmetology
- Construction
- Culinary Arts
- Engineering
- Health Sciences
- Transportation
- Visual Imaging

All of our Technical Education programs, those offered at Royal Oak High School and at Oakland Schools Technical Campuses, provide students the opportunity to earn articulated college credit with a variety of post-secondary institutions.

Any form of discrimination or harassment can be devastating to an individual’s academic progress, social relationship and/or personal sense of self-worth. As such, the Board of Education does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the district, or social or economic background, to learn through the curriculum offered in this district. Educational programs shall be designed to meet the varying needs of all students.

For additional information, students and families may contact the Royal Oak High School Student Services Center (248-435-8400, Ext. 1075) or Patrick Wołynski, Executive Director for Staff and Student Services (248-435-8400, Ext. 1504).
ROMS Students Pay Tribute to Shrine Assistant Principal

Royal Oak Middle School (ROMS) students wanted to do something special to honor the memory of the late and cherished Shrine Catholic Academy assistant principal and coach Michael Reece, who tragically died in November.

So, ROMS students banded together and decorated and signed a banner reading “ROMS thinking of you.” The ROMS students presented the heartwarming banner to Shrine Catholic Academy students as a tribute to Reece.

ROMS Students Raise Money for Leukemia & Lymphoma Society

Royal Oak Middle School (ROMS) students raised $9,180.79 for the “Pennies for Patients” Leukemia & Lymphoma Society (LLS) fundraiser to support cancer research and innovation. Collections are made in the students’ LEAP (homeroom) classes. Over the past five years, the ROMS Student Council has collected over $24,000 for LLS.

The top three LEAP classes (by grade) earned a pizza party:
- **8th grade:** $250.21, Mr. Sopata’s class;
- **7th grade:** $773.61, Mrs. Bockhausen’s class; and
- **6th grade:** $1,074, Mr. Pavlovich’s class

Mrs. Taylor’s 6th grade class raised $804.05, the second highest amount.

Emma Forsyth, ROMS Student Council President said, “We are all so proud of ROMS for going past our goal and raising over $9,000! It is amazing to see what happens when we all come together! Thank you so much to everyone that donated!”

Deborah Taylor, science teacher and ROMS Student Council sponsor added, “So many students want to help, so many students want to make a difference in the lives of others. Each year when Kerry Derminer and I ask if they want to change organizations for our fundraiser, our members say no. They see how bringing in a ‘few’ pennies can make a difference. Without our amazing ROMS Community, our achievement over $9,000 would not be possible. That is $2,180.79 over our goal.”

“The Leukemia & Lymphoma Society (LLS) are beyond words and cannot thank the students, staff and parents of ROMS and their fundraising efforts this year. ROMS students, staff and families are touching the lives of our patients and their families. LLS continues to be a leader in the delivery of blood cancer education and in enhancing patient access to treatments. With the continued support of ROMS we will continue to move closer to cures, changing the landscape of cancer forever,” said Linda Kozianowski, LLS Michigan Chapter.

Young Oaks Before and After School Child Care

Royal Oak Schools offers fee-based before and after school child care for school-aged children at each of the six elementary schools. The Young Oaks Latchkey Program emphasizes a comfortable, supervised atmosphere that includes activities that will enhance the child’s physical, social and academic growth.

The program is fully licensed by the State of Michigan and follows all of its guidelines. The staff is fully trained in CPR and first aid and receives additional appropriate in-service training throughout the year.

We offer care before and after school, as well as on most vacation days. In addition, summer camp is available during the summer break. For a nominal additional fee, parents can purchase "inclement weather" coverage in the event that schools are closed for an unpredictable reason.

For more information regarding the fee structure of the Young Oaks Program, visit www.royaloakschools.com or call Evelyn Maurer at (248) 288-3220, Ext. 3561.
How Our Taxes Fund Our Schools

Local school districts receive the majority of their operational funding from the State since the passage of Proposal A in 1994. The State distributes operating dollars to local school districts through a system based primarily on student counts. The revenue sources for these funds include:

- sales taxes
- a six mill levy on homestead property
- taxes on liquor and tobacco sales
- real estate property transfer taxes, and
- lottery profits.

At the local level, Boards of Education are limited in their ability to ask local residents to provide funding to support their schools. Royal Oak can ask local residents to contribute some funding for operational costs. The amount that can be requested is limited through a formula under Proposal A. Currently, Royal Oak residents pay 2.55 mills of Hold Harmless millage.

Local districts can also ask the community to support their schools with funds dedicated to facility improvements. This can be accomplished through bonds (which result in debt levies) and through building site and sinking fund (sinking fund) millages. In Royal Oak, residents pay 3.75 mills for debt retirement (to pay off facility improvement bonds) and a 1.0 mill sinking fund.

As the chart below shows, Royal Oak is third from the lowest in terms of what local Oakland County homeowners pay in support of their community governed schools.

Royal Oak Schools Announces Superintendent Search Timeline

The Royal Oak Schools Board of Education has started the process of selecting a new superintendent to replace Shawn Lewis-Lakin, who announced his retirement effective June 30, 2017.

The Board is being assisted in its search by the Michigan Association of School Boards (MASB), a service organization that supports the work of school boards throughout Michigan. Tom White is facilitating the search on behalf of MASB.

The School Board believes it is critical to have feedback from all constituents in the search for the next superintendent. “We want input from parents, employees and the community to assist us in selecting the right individual who will further our district commitment to be a Community of Excellence,” said Deb Anderson, School Board President.

An online survey was conducted in February to allow stakeholders to share their ideas and feedback on the characteristics they would like to see in the new superintendent.

The timeline below highlights the milestones in the search process. Members of the community are invited to attend these meetings, which will be held at the Administration Building, 800 DeVilien. Additional meetings to solicit input from district staff members are also planned.

Wednesday, March 15, 2017, 6:00 p.m.
Special Board Meeting, Review Applications

Tuesday/Wednesday, March 21 & 22, 2017, 6:00 p.m.
Special Board Meetings, First Round Interviews

Wednesday, March 29, 2017, 6:00 p.m.
Special Board Meeting, Final Interviews

For additional information on the process, as well as updates to the planned schedule, community members are encouraged to visit the district website, www.royaloakschools.org, and click on the “Superintendent Search” button that is at the bottom in the left hand column of the homepage.
