We Are Grateful

At this time of year, many of us take time to reflect upon people in our lives for whom we are thankful. As the new superintendent of Royal Oak Schools, I am certainly thankful to be working in a community that is so rich with people committed to creating experiences and unique learning opportunities for our students and families.

We were fortunate to be able to hire over two dozen new staff members and welcome them into our district for the 2017-18 school year. The process to attract, hire and retain the best educators for Royal Oak Schools is a time intensive and welcomed task for our team. Once on board in the district, we provide a comprehensive plan of support for new and veteran staff including mentorships, workshops, conferences and specialized training. The time spent during the late-start Wednesdays is well planned and highly valuable to the professional development of our staff.

Supporting all students in the district remains a focus of our work. We continually evaluate our programs for students who find some areas of instruction challenging, while also providing pathways for student advancement. We seek student learning which is engaging, where students are challenged to think, problem solve, and collaborate. At Royal Oak High School, we have been planning the application for authorization of the International Baccalaureate Diploma Programme (DP), a continuation of the Middle Years Programme (MYP) provided to all students in grades 6-10. The IB DP benefits include an increased opportunity for students to pursue rigor in their academic career, pursuing learning which is student-centered, globally minded, and rich in critical thinking. Upon final approval by the IB organization anticipated for this spring, the program will be fully available to junior students in the 2018-19 school year, and junior and senior students in the following years.

We are also planning an experience for the entire community coming up on January 15, 2018, the day when the work of Dr. Martin Luther King Jr. is honored and recognized. The Royal Oak and Berkley School districts are collaborating to provide an event where community members come together around service to support local organizations in need of hands-on help. Through on-site projects organized for attendees to complete, donations and collections, and off-site volunteer trips to local organizations, participants will be reminded to help those less fortunate than ourselves. The event will be hosted at Berkley High School this year. Please watch the district’s website www.royaloakschools.org for more details in the coming weeks.

Wishing you and your family a happy Thanksgiving,

Mary Beth Fitzpatrick, Superintendent of Schools
Royal Oak Schools is pleased to welcome children and their families to kindergarten. Kindergarten enrollment for the 2018-2019 school year begins on Monday, January 15, 2018. Enrollment for all kindergarten programs district-wide is processed at our Central Enrollment office.

We encourage families to visit the “Enrollment” section of our district website, www.royaloakschools.org, for information regarding the documents necessary for enrollment. Our enrollment web page also provides families the opportunity to complete much of the enrollment paperwork online. We look forward to partnering with you on your child’s education.

Michigan State Law stipulates that a child be five (5) years of age on or before September 1 in order to enroll in kindergarten for the 2018-2019 school year. If a child is not five (5) years of age by the September 1 enrollment eligibility date, but will be five (5) years of age no later than December 1, an option for parents or guardians to enroll the child in kindergarten for the 2018-2019 school year is available. An Age Waiver form will be available on our district website. Please feel free to call the Enrollment Office for further information.

District Central Enrollment Office
800 DeVillen, Royal Oak, MI 48073

Enrollment Office Hours:
Monday - Friday, 7:30 a.m. - 4:00 p.m.

Phone:
(248) 435-8400, Ext. 1260
Fax: (248) 280-2591

To register a child for school, parents should bring the following with them to the Enrollment Office:

Enrollment/Registration Required Documents

• 2 Proofs of Residency
  - Lease Agreement (plus page with landlord and tenant signatures)
  - Mortgage Statement (within last month)
  - City Assessor’s Tax Statement (current year)
  - Current Utility Bill or Cable Bill (within last month)
  - Notarized Affidavit of Residence if living in someone else’s home/apartment
    • Homeowner’s driver’s license and two proofs of his/her residency
• Driver’s License (of parent or guardian)
• Birth Certificate (original or certified copy with raised seal)
• Immunization Records
• Vision Screening Required for Kindergarteners
• Court documents, if applicable (guardianship, foster care, etc.)
• On-line Pre-Enrollment Form

Great Start Readiness Program (GSRP)
The Royal Oak Schools Great Start Readiness Program (GSRP) currently offered at Addams Early Childhood Center is designed to get your four-year-old ready for Kindergarten. The program runs from mid-September to mid-May each year, following the district holiday and break schedules. The classroom is staffed with a certified K-8 teacher with ZA endorsement (early childhood emphasis) and an associate teacher. The student-to-teacher ratio is 8:1. Classes are held Monday through Thursday. This program is fully licensed through the State of Michigan.

GSRP is a state program that is funded through a grant from the State of Michigan Department of Education. For qualifying families, there is no cost to participate. GSRP is not solely based on financial need. In order to qualify, your child must meet two of eight factors that place them into the “at risk” category (as defined by the grant provided through the State of Michigan). Please contact the GSRP teacher at (248) 288-3220, Ext. 3569 for further information.

Kindergarten Vision Screening
Michigan law requires a vision screening for kindergarten entrance. A vision screening done by a health department technician, physician, or eye doctor fulfills this requirement.

The Oakland County Health Division offers free vision screening for Oakland County residents. Call (248) 424-7070 to schedule an appointment.

Changing Residence and School Enrollment
Parents/guardians of all Royal Oak School district students who change their residence during the school year are required to update their address information with the Central Enrollment Office, 800 DeVillen, Royal Oak, MI 48073. Please check the “Enrollment” section on the district website (www.royaloakschools.org) for required/acceptable proofs of residency.
Four Royal Oak High School Seniors Cited in 2018 National Merit Scholarship Program

Congratulations to Royal Oak High School’s 2018 National Merit students:

- **Collin Sharpe, National Merit Semifinalist**
- **Ethan Bradley, National Merit Commended Student**
- **Emma Ristau, National Merit Commended Student**
- **Henry Smith, National Merit Commended Student**

These students were named by the National Merit Scholarship Corporation based on outstanding academic performance on the Preliminary SAT/National Merit Scholarship Qualifying Test taken as juniors. Approximately 1.6 million juniors in more than 22,000 high schools entered the 2018 National Merit competition.

The nationwide pool of 16,000 semifinalists represents less than one percent of U.S. high school seniors. There are 34,000 Commended Students throughout the nation. Commended Students placed among the top three percent of more than 1.6 million students who entered the 2018 competition.

Collin is the son of Katherine Andrew. He is active in Model United Nations, Robotics, National Honor Society and Varsity Tennis.

Ethan is the son of Jodi Rubin and Tony Bradley. He is an officer of the Drama Club and Choir and a member of Model United Nations, InterAct and National Honor Society.

Emma’s parents are Tammy and Russell Ristau. She participates in Model United Nations, InterAct, National Honor Society and Varsity Soccer.

Henry is the son of Lynn and Clifford Smith. At Royal Oak High School, he is active in Model United Nations, Robotics, National Honor Society and Varsity Tennis.

The semifinalists are among the academically talented high school seniors who have an opportunity to continue in the competition for some 7,500 National Merit Scholarships worth more than $32 million that will be offered next spring. To be considered for a Merit Scholarship award, semifinalists must fulfill several requirements to advance to the finalist level of the competition and provide information including academic record, participation in school and community activities, demonstrated leadership abilities, employment, and honors and awards received. About 90 percent of the semifinalists are expected to attain finalist standing, and about half of the finalists will win a National Merit Scholarship, earning the Merit Scholar title. Finalists will be announced in February.

Save the Date: Preschool & Child Care Information Night

The 19th Annual Preschool & Child Care Information Night sponsored by the Royal Oak Public Library will be held Monday, January 22, from 7:00 to 8:30 p.m., at the Royal Oak Farmers Market, 316 East Eleven Mile Road. Parking will be free.

Royal Oak Schools Financial Audit Receives Highest Level of Confidence

David Youngstrom, Principal, Yeo and Yeo CPAs and Business Consultants, recently presented the district’s annual audit addressing the Royal Oak Schools Board of Education meeting and the community. Auditors from Yeo and Yeo gave the district’s audit an unmodified opinion, the highest level of confidence received for such reports.

In his comments, Youngstrom commended Kathy Abela, Executive Director of Business and Finance, and the district’s business services team for a “clean audit - a lot of hard work goes into making that happen,” said Youngstrom. He also offered praise for getting the audit completed early. “Royal Oak is our first school district audit presentation this fall,” said Youngstrom.

He also commended the district for being fiscally sound and providing good services to the students and the community. “Because tough decisions were made by the Board, you are in a good spot to move forward.”

In looking ahead, Youngstrom reminded the Board that the district’s revenue primarily depends on state per pupil budget allocations and enrollment. Enrollment this current year is projected to be steady with last year. He concluded by cautioning the Board that “these are challenging times for all districts throughout the state, with increases in the state retirement system rates (which are charged back to local districts), increasing fringe benefit costs and special education costs continuing to rise.”

Youngstrom’s presentation is available on the district’s webpage, www.royaloak-schools.org, under the “District” tab.

Royal Oak High School Hall of Fame Seeks Nominees

Deadline December 31

Community members have until December 31 to nominate deserving alumni and staff for the Royal Oak High School Hall of Fame for its next induction ceremony. The form is online at www.rohshalloffame.com or can be downloaded as a pdf document from the site. Nominations can also be mailed to Royal Oak High School Hall of Fame c/o Ann Maudlin, 1500 Lexington Blvd., Royal Oak, MI 48073.

The criteria for nominees are as follows:

Required for Graduates:

• The nominee must be a graduate of a Royal Oak public high school
• Ten years must have passed since the date of his/her graduation

Required for Educators:

• The nominee must have completed twenty years of service (or more) in a Royal Oak public high school.

Suggested for ALL Nominees (some or all of the following criteria should be evident in the candidate’s nomination):

• Service to local, national and/or global communities (within the realm of one’s career OR independent of it)
• Distinctions and/or awards that reflect excellence, advancement, and achievement in career, service or both (including military recognition)
• Longevity of efforts (nominee’s service extends over time, and is long and powerful enough to establish a lasting legacy)
• Scale/scope of impact
• Generosity and warmth of spirit (extending one’s self beyond the ordinary parameters of the job)

Alumni nominated should be a graduate who has excelled in some way in the local, state, national, or global arena. Examples include, but are not limited to: public service, business, education, entertainment, fine arts, athletics, science and technology, career or any other prominent area.

The Hall of Fame seeks to also honor exceptional staff members (administrators, coaches, secretaries and support staff).
