Dear Royal Oak Community,

I’m sure you will agree that the Royal Oak community is very special and offers a wide variety of activities and supports to our families. The school district is often at the heart of those opportunities, and we are blessed to be assisted by so many. One of the reasons we are thankful this season is for the community involvement present in so many areas of our work.

This October, we were part of a wonderful community homecoming event called ROam Home. A kick-off showcase held at Royal Oak Middle School welcomed more than 30 community organizations sharing their projects and recruiting members. The next week was then packed with special events including school tours, sporting events, musical performances, dances, the Community Awards event and much more. The planning committee hopes this tradition continues leading up to the 100th birthday celebration of the City of Royal Oak in 2021.

Coming up in January, we will host our second gathering of the district Cultural Competence Engagement Committee. The committee of parents, teachers, instructional leaders, and community members addresses equity in our schools, exploring topics affecting students and families along the lines of race, religion, sexual orientation, special needs, language, and poverty. The next gathering will be held on January 7, 6:30-8:00 p.m. at the Administrative Offices, 800 DeVillen. For more information please visit our website www.royaloakschools.org/district/forward-together. All are welcome to join us as we learn and grow together.

Also in January, Royal Oak Schools will co-sponsor the fourth annual day of service as we honor the birthday of Dr. Martin Luther King, Jr. The day starts at 7:45 a.m. on Monday, January 20, 2020 at Berkley High School (2325 Catalpa) and is intended to be a ‘day on’ instead of a ‘day off.’ Following a light continental breakfast, participants will be invited to a short program featuring student presentations, and then encouraged to participate in service projects on and off the school grounds. The event is free and open to the public. Each year, specific charities and organizations benefit from generous donations and hours of volunteering given by attendees. For more information on how you can become a part of the day of service, please visit the website at romi.gov/mlk.

Thank you for your continued support of our Community of Excellence.

Sincerely,

Mary Beth Fitzpatrick, Superintendent of Schools

Great Start Readiness Program (GSRP)
The Royal Oak Schools Great Start Readiness Program (GSRP) currently offered at Addams Early Childhood Center is designed to get your four-year-old ready for kindergarten. The program runs from mid-September to mid-May each year, following the district holiday and break schedules. The classroom is staffed with a certified K-8 teacher with an early childhood endorsement and an associate teacher. The student-to-teacher ratio is 8:1. Classes are held Monday through Thursday. This program is fully licensed through the State of Michigan.

GSRP is a state program that is funded through a grant from the State of Michigan Department of Education. For qualifying families, there is no cost to participate. GSRP is not solely based on financial need. In order to qualify, your child must meet two of eight factors that place them into the “at risk” category (as defined by the grant provided through the State of Michigan). Please call (248) 288-3220, Ext. 800 Devillen, to complete the process.

Michigan State Law stipulates that a child be five (5) years of age on or before September 1 in order to enroll in kindergarten for the 2020-2021 school year. If a child is not five (5) years of age by the September 1 enrollment eligibility date, but will be five (5) years of age no later than December 1, an option for parents or guardians to enroll the child in kindergarten for the 2020-2021 school year is available. An Age Waiver form is available on our district website. Please feel free to call the Enrollment Office for further information.

Registering for Kindergarten
Royal Oak Schools is pleased to welcome children and their families to kindergarten. Kindergarten enrollment for the 2020-21 school year begins on January 30, 2020. Enrollment for all kindergarten programs, including developmental kindergarten, district-wide is processed at our Central Enrollment office at 800 Devillen, Royal Oak, MI.

Royal Oak Schools processes new student enrollments online at www.royaloakschools.org. Click the “Enrollment” tab and “How to Enroll” to begin this process. A computer is available for use at the Enrollment Office. Once you have completed the online enrollment, you will need to bring all the required documentation to the Central Enrollment Office, 800 Devillen, to complete the process.

To register a child for school, after completing the online pre-enrollment at www.royaloakschools.org/district/enrollment, parents should bring the following with them to the Enrollment Office:

**Required Documentation**
- Original Birth Certificate with Seal
- Driver’s License (or state ID showing photo identification of parent/guardian name and current address)
- Immunization Records
- Vision Screening Required for Kindergarteners
- Court Documents, if applicable (guardianship, foster care, etc.)
- Residency documentation and verification – Two of any of the documents described below must be provided.

**Residency Requirements**
A qualifying residence is defined as a residential dwelling that is either a single family principle residence as recorded with the Michigan Treasury or a legal single family rental unit that meets the Michigan Treasury and local community requirements for a rental.

To establish a qualifying residence, the district requires:

**Homeowner (provide two proofs):**
- The deed to the property or current mortgage statement in the name of the person seeking to enroll the student(s) must be provided.
- A current property tax statement in the name of the person seeking to enroll the student(s). To qualify as a homeowner, the property must be declared as a principal residence in accordance with state law and guidelines.
- Current utility bills within the last 30 days addressed to the person enrolling the student.

**Renter (provide two proofs):**
- An original, signed complete lease in the name of the person seeking to enroll the student(s).
- Current utility bills within the last 30 days addressed to the person enrolling the student.

**Shared Housing (provide two proofs):**
If living in someone else’s home/apartment a Notarized Shared Housing Form is required. It must be signed by the homeowner/lease holder and applicant in the presence of a notary public. This document must be accompanied by:
- Proof of residency, see above requirements.
- A copy of both parties driver’s licenses.

Kindergarten Vision Screening
Michigan law requires a vision screening for kindergarten entrance. A vision screening done by a health department technician, physician or eye doctor fulfills this requirement.

The Oakland County Health Division offers free vision screening for Oakland County residents. Call (248) 424-7070 to schedule an appointment.
National Merit Organization Recognizes Students for 2019

Four Royal Oak High School seniors have been recognized by the National Merit organization for their outstanding academic achievement. They are:

- **Saffron James, Commended Student.** James is a member of the Interact Club, National Honor Society, varsity track and is a captain for varsity cross country. She plans to study creative writing.

- **Gwen Kocis, Semifinalist.** Kocis is a member of Student Council, National Honor Society, varsity soccer, Redeemer Youth Group and is editor in chief of Acorn at ROHS. She would like to go into the social sciences.

- **Sophia Papp, Semifinalist.** Papp is a member of the Royal Oak Model UN, National Honor Society, Interact Club, the varsity lacrosse team and the Greek Orthodox Youth Association. She is planning to study engineering or computer science.

- **Jack Rickle, Commended Student.** Rickle is a member of Student Leadership Service Club, Model UN, science olympiad and is a captain for varsity cross country and track. He plans to pursue a degree in biochemistry or biomedical engineering.

“These young people are outstanding representatives of Royal Oak High School and of our community as a whole,” Michael Giromini, ROHS principal, said. “We often tell kids ‘you work hard and you get something for it,’ so actually letting them have an experience where that happens is pretty special. Obviously we’re proud of them and the work that they’ve done, but actually seeing them be proud of themselves is so rewarding.”

More than 1.6 million juniors from nearly 22,000 high schools entered the 2020 National Merit Scholarship Program by taking the 2018 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). The Semifinalists represent less than one percent of U.S. high school seniors and the highest scoring entrants from each state. The number of Semifinalists in a state is proportional to the state’s percentage of the national total of graduating seniors. Commended students placed among the top 50,000 students based on their 2018 PSAT scores.

“I think it’s a testament to the kids' hard work, but also to the work of the staff,” Giromini said. “The elementary, middle and high school staff have prepared students for life after high school as they pursue careers and university. It’s one indicator of the good things we’re doing.”

Of the nearly 16,000 semifinalists, scholarship winners will be chosen from a pool of finalists, and they will be notified between March and June 2020.

Save the Date:
Preschool & Child Care
Information Night

Royal Oak Schools Financial Audit Receives ‘Highest Level of Confidence’

The highest level of confidence, an unmodified opinion, was recently awarded to Royal Oak Schools in relation to the organization’s budget.

“We started in the end of July and pretty much finished in the first week of August,” David Youngstrom, principal auditor, said. “It was basically another break-even year.” According to Yeo and Yeo, an unmodified opinion means the district’s “financial records and statements are fairly and appropriately presented, and in accordance with the accounting principles generally accepted in the United States. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.”

Youngstrom explained that with the bond, sinking fund, athletic activity and the student activity fund were some areas that were scrutinized very closely. This year, there were no material weaknesses, no significant deficiencies and no management comments.

“It’s clean because (the finance department) goes over and beyond,” Youngstrom said at the October Board of Education meeting. “A great job in the internal control area, good job.”

Variables for the coming year’s budget, which are comparable to surrounding districts, include the state economic/political conditions, fringe benefit costs, retirement rate increases, special education costs, unfunded pension liability and unfunded post-employment benefits obligation liability.

Oak Ridge, Keller Host Community Celebrations to Share the Benefits of Bond Work

Two schools were reintroduced to the community at ribbon cuttings hosted on Thursday, October 17.

Oak Ridge and Keller elementary schools took a moment this fall to thank the community for their generous support of the 2017 bond and show them the improvements they voted for. Mary Beth Fitzpatrick, Royal Oak Schools superintendent, welcomed guests and honored district employees and organizations that have worked on the project at the two separate ceremonies.

At Oak Ridge Elementary, Principal Jason Parrott detailed the work that has been done at the school. He talked about the main office renovations, Learning Commons improvements (new carpeting, new paint, all new furniture including book stacks, additional technology includes SMART Board), upgrades in instructional technology (SMART Boards, white board and tack board, EPIC sound enhancement), new classroom furniture, new physical therapy and occupational therapy rooms and the remodeled art room. In addition, students from the school sang two songs as soon as the ribbon was cut.

Marcie Dryden, Keller Elementary principal, spoke to attendees at the school about the work they would see on the inside of the building, as she stood outside at the school’s new main entrance. In addition to the exterior changes, like a new parking lot and new entrance on the west side of the building for, new classroom furniture, a new physical therapy and occupational therapy room, a new kindergarten room, and a remodeled art room, gym and cafeteria. The Royal Oak Children’s choir performed at the event, too.

The improvements at Oak Ridge totaled $2.9 million, and the improvements at Keller totaled $6.5 million.

Food Services in Our Schools

Students in our Royal Oak Schools have breakfast and lunch service available on a daily basis. Students who qualify can obtain these meals for free or reduced rates. Families who believe they may qualify for free or reduced priced meals should complete an application form available on the Food Services page of the district website (www.royaloakschools.org).

Digital lunch and breakfast menus for all meals are available on the district website. The menus include nutrition information for every item on the menu. To view menus, go to: [www.royaloak-schools.nutrislice.com](http://www.royaloak-schools.nutrislice.com). No username or password is needed. Just visit the website and choose your school and menu type (breakfast or lunch). When you hover over menu items, nutrition information will appear (calories, fat, saturated fat, trans fat, cholesterol, sodium, total carbs, sugar and protein). This site also has enhanced navigation features for food allergies and dietary concerns. An app for handheld devices and multiple languages is also available.

Chartwells Dining Service which provides Royal Oak Schools Food Services also offers catering services. Catering acts as a fundraiser for the school lunch program. Catering menus may be found on the district website under district, click departments, then food services. To plan an event menu, call (248) 435-8400, Mike Jacobs, Ext. 1122 or Michelle Ziegler, Ext. 1124.
