Together, we connect the workforce to the work.

The Carpenters Labor Management Partnership Team is committed to recruiting, training, and employing the next generation of skilled workers throughout the entire state of Michigan. Bring your students to our 2020 Career Fair on April 22 and show them the future they could have with contractors who offer good jobs and paid apprenticeships.

Seniors should bring 30 copies of a one-page resume and be prepared to talk to future employers.

CLICK HERE TO RSVP or contact Jamal Al: (313) 350-7386 or jamal.al@hammer9.com.
