ROYAL OAK SCHOOLS
2019

HIGH SCHOOL SUMMER SCHOOL

Registration Begins
May 8, 2019
Royal Oak Schools offers a program that consists of both core curriculum and elective classes. Students are eligible for high school summer school if they live in or attend Royal Oak Schools, have completed the 8th grade, and have not yet graduated from high school. All high school students must have the approval of their principal or counselor. Students may earn a maximum of one unit of credit in summer school. Each class constitutes one-half unit of credit. Additional details about the program:

➢ There is a morning and an afternoon session offered during this time period. Students may elect to take one class per session.

➢ The purpose of these classes is to make up credit for classes in which students have been unsuccessful.

➢ Class materials will be presented and assessed online. Students may accomplish class modules at home or on a computer in the Churchill Computer Lab, which will be staffed by an accredited teacher who will be able to offer assistance as needed.

➢ All tests and assessments for classes must be taken at ROHS/ROMS under the supervision of the instructor.

➢ With the exception of Health and Physical Education classes, students will be able to progress at their own pace. Course completion may be attained at any time during the summer school session but must be completed by July 19.

➢ Attendance at all class sessions is mandatory.

➢ Enrollment for classes other than PE/Health will be capped at 75 per session. PE will be capped at 40 and Health will be capped at 32.

Cost: For Royal Oak residents and/or students, the cost per class is $200.00.

Discipline/Attendance: All policies and procedures of the Royal Oak Schools Board of Education will be enforced in Summer School. In all classes, upon the third absence, students will be dropped from the class without a refund and parents will be notified.
