Dear Royal Oak Schools Community,

This is a very exciting time of year in the schools as we register our youngest students for next fall’s kindergarten (Class of 2031) plus prepare to honor the achievements and graduation of the Royal Oak High School and Churchill Class of 2018. Spring sports have begun for our athletes, and we’re looking to the summer as we complete our plans for summer programs such as summer school, Camp Invention Science exploration, Oakland Schools middle school summer STEM camp and literacy classes. Details are available on our district’s website royaloakschools.org and in the coming pages.

Bond 2017 construction kicks off this spring as we begin the work of Phase I at Royal Oak High School. The construction of the new athletic plaza, improved lighting, parking lots, relocated tennis courts and expanded track will be in full swing all summer. We are also completing design plans for the Phase II work at Oak Ridge, Keller and the interior learning spaces of ROHS which will begin in Spring 2019. Thank you again to our wonderfully supportive community for the successful passing of the bond during the election last November.

In late March, we received news from the International Baccalaureate organization that our application for authorization as a Diploma Programme (DP) high school was approved. This means our juniors and seniors can act upon the plans to schedule themselves in the DP as stand-alone classes or take part in the full program for a specialized diploma at graduation. Congratulations to the staff at ROHS for their work in preparing for this part of our IB offerings, complementing the Middle Years Programme at Royal Oak Middle School, and the Primary Years Programme offered to any students in the district at Keller Elementary. More details about the program can be found later in this issue.

At this time, we also recognize the hard work and dedication of staff who have been named as the Royal Oak Schools Teacher and Support Person of the Year. Congratulations to those four winners, who you can read more about on the following pages, and again we thank them for their outstanding work and commitment to the students of Royal Oak. We are very fortunate to have them among our very best educators in Royal Oak Schools.

As the end of the year approaches, I invite you to take a look at the district calendar available on our website and the sports schedules. Our student performers and athletes have many exciting events coming up, and we always look forward to seeing community members in attendance at spring music concerts and sports games.

Sincerely,

Mary Beth Fitzpatrick, Superintendent

News and Information About Your Royal Oak Schools
Teachers, ESL instructor recognized with annual award

Royal Oak Schools recently announced its 2018 Teachers of the Year and Support Person of the Year. They are:

- **Elementary**
  - Mary Kosnik, Third Grade, Oak Ridge Elementary School
- **Middle School**
  - Terri Durham, Special Education, Royal Oak Middle School
- **High School**
  - Tracy Crawley, Biology and Forensic Science, Royal Oak High School
- **Support Person**
  - Violet Andoni, ESL/Bilingual Paraprofessional

"Honoring these teachers was a special moment for me," Mary Beth Fitzpatrick, Superintendent, said. “To recognize these teachers for the outstanding work they do on a daily-basis is important to make sure they realize it does not go unnoticed.”

**Mrs. Kosnik** has been teaching at the school for 27 years. She has a bachelor’s degree in Elementary Group Minors from Western Michigan University and a master’s degree in Curriculum, Instruction & Leadership from Oakland University.

Jason Parrot, Oak Ridge Principal, nominated Kosnik for a variety of reasons, including the ways she engages students and parents, plus the respect she receives from other staff.

“As a former Royal Oak Schools student herself, Mary is committed to the district,” Parrot said in his nomination. “She believes in giving back to the community, which is evident in her involvement with our Student Senate and the way she teaches the children to ‘give back.’”

**Mrs. Durham** was nominated by Royal Oak Middle School Principal Todd Noonan. She has a bachelor’s degree in Special Education/Orthopedically Handicapped, K-12, Mentally Impaired from Western Michigan University and a master’s degree in K-12 Education Administration from Michigan State University.

Noonan explained that Durham is constantly pursuing the best ways to reach and educate each individual student.

“There are so many things I still do with my daughter that were suggested by Terri,” a parent of a former student, said. “For instance, a simple task of unloading the silverware from the dishwasher turned into vocabulary practice, sorting, counting and completing the job. This is just one example of educational opportunities I look for at home and in our community, thanks to Terri Durham.”

Nominated by Michael Giromini, ROHS Principal, **Mrs. Crawley** has been teaching at the school for 16 years, and has taught range of science subjects during that time. She earned her bachelor’s degree in Biology and master’s degree in Curriculum, Instruction & Leadership, both from Oakland University.

Giromini explained that despite the differences in subjects like biology, chemistry and forensic science, Crawley is always focused on improving her practice.

“The most impressive feature of Tracy’s teaching is her commitment to growth, exemplified by her thoughtful approach with General Biology,” Dave Barnett, a science teacher at ROHS, said. “After not teaching the course for many years, Tracy seized the opportunity to reimage it. In anticipation of implementing new
state science standards, Tracy developed a structure that encourages inquiry and provides students with meaningful learning experience.”

This year’s Support Person of the Year, Violet Andoni, has been with Royal Oak Schools for 18 years. She has her Bachelor’s of Science in Secondary Education, Biology and Chemistry from the University of Tirana. She serves the entire district as an English as a Second Language Instructor, working with children who speak 35 different languages combined.

All of Miss Violet’s nominators spoke about the numerous ways she goes above and beyond to help families who need support, including acting as an interpreter between families and doctors, and helping them with immigration or other governmental forms.

“Our ESL families experience all kinds of difficulties when they first move to our great country, but Violet makes their beginning a lot easier with her availability and support,” Janka Demiri, an ESL Instructor for the district, said. “She is a true humanitarian. The energy and enthusiasm with which she goes about her life and work are remarkable.”

All of this year’s honorees have been nominated for the Oakland Schools Teacher of the Year and Support Person of the Year awards, which will be announced later this spring.

**ROHS receives authorization for IB Diploma Programme**

On Tuesday, March 6, Royal Oak High School and district administration received official authorization to run a program that has been several years in the making. Beginning with the 2018-19 school year, ROHS juniors will have the option to be a part of the International Baccalaureate Diploma Programme.

This two-year program continues the philosophy of the IB Primary Years Program (Keller Elementary) and IB Middle Years Program (Royal Oak Middle School and ROHS), while offering students choices to complete the program or take classes a-la-carte.

“We will continue as we have been planning to, but this has been a little bit of a weight off our shoulders and a celebratory moment for us,” Leah Barnett, an ELA Teacher and the school’s DP coordinator, said. “Our team worked really hard, so this is a happy time for us.”

Barnett and other educators at the high school have been working over the past few years to develop the curriculum and pilot classes. The team has met many times this year with interested sophomores and their parents to discuss the program and its various options for students in preparation for the 2018-19 school year.

“We will be busy, we will probably be working through the summer to be prepared for when our students come back,” Barnett said. “But now we know that they can officially begin the program, and we’ll have a healthy number of next year’s students when we start.”

According to the IB, through the DP, schools are able to develop students who have excellent breadth and depth of knowledge; flourish physically, intellectually, emotionally and ethically; study at least two languages; and excel in traditional academic subjects.
AltFeb trip impacts students, makes a difference in New Orleans

Seventy-nine students from Royal Oak High School recently spent a week in New Orleans. But it wasn’t all about soaking up the history of area. It was about making an impact on the city’s future. Students of the Interact Club of Royal Oak, along with parent volunteers and teacher Steve Chisnell, repaired homes and restored properties that had weathered years of hurricanes in the city’s Lower 9th Ward. It was the club’s twelfth disaster relief trip for AltFeb, and its fifth trip to the area.

“These residents of the 9th Ward, who had their lives changed in a matter of hours, are still able to return to their homes at the end of the day, and stay positive,” Claire Stanley, a senior and student trip coordinator, said. “Seeing all the damage that’s come from the storms has changed my perspective on how I live my life, and how I strive to help others. I think the takeaway I’ve gotten from this year’s trip is truly incomparable, and I wouldn’t trade it for any other experience.”

The group also painted a residence in Delacroix and donated tools to help neighborhood residents maintain the repairs they began during the week. Along the way, they worked with Robert Green, a national spokesperson for the city and Hurricane Katrina victims.

“The challenges that have been placed upon these families are extraordinary, yet time and time again they show us that you can overcome any challenge,” Jocelyn Nitta, a senior who has gone on the trip all four years of high school, said. “Going on these trips has taught me the meaning behind selflessness and teamwork.”

The group rode 20 hours each way to travel from Royal Oak to New Orleans. They stayed at Fontainebleau State Park, where they were able to stage a cleanup to pay for their stay.

“We painted a man’s house, whose name was Buddy,” Grace Hasley, a freshman, said. “He had no idea that we were coming, and we were able to surprise him with our help and support. Since it is my first time going on the trip, I didn’t realize how satisfying my work would make me feel.”

While in the city, the students also had the chance to enjoy a short ride on Buddy’s shrimp boat, take a tour of Katrina flood history and spend an evening in the French quarter for dinner while learning about Mardi Gras history.

Royal Oak Schools Schools of Choice Applications

Royal Oak Schools is currently accepting Schools of Choice applications for school year 2018-2019 for students entering grades K-3 in September of 2018. The application window is March 5, 2018 thru August 1, 2018. Eligible students must reside in Oakland County. The limited application window for grades 4-8 will be announced following the Board of Education meeting in May.

Schools of Choice applications are available on the district website, www.royaloakschools.org, and at the District Enrollment Office, 800 DeVillen, Royal Oak, 48073. The Enrollment Office is open daily from 7:30 a.m. to 4:00 p.m.

The assignment of students to schools and classrooms will be on a space available basis. Once students are enrolled as Schools of Choice students in the district they may continue to attend through high school graduation, provided their enrollment is continuous.

For all Schools of Choice enrollments, the district reserves the right to refuse to enroll any non-resident applicant if that applicant is or has been suspended from another district within the preceding two years or if the applicant has ever been expelled from another district.

For additional information, call the Enrollment Office at 248-435-8400, ext. 1260.

Young Oaks Before and After School Child Care

Royal Oak Schools offers fee-based before and after school child care for school-aged children at each of the six elementary schools.

The Young Oaks Latchkey Program emphasizes a comfortable, supervised atmosphere that includes activities that will enhance the child’s physical, social and academic growth.

The program is fully licensed by the State of Michigan and follows all of its guidelines. The staff is fully trained in CPR and first aid and receives additional appropriate in-service training throughout the year.

We offer care before and after school, as well as on most vacation days. In addition, summer camp is available during the summer break. For a nominal additional fee, parents can purchase “inclement weather” coverage in the event that schools are closed for an unpredictable reason.

For more information regarding the fee structure of the Young Oaks Program, visit www.royaloakschools.org or call Evelyn Maurer at (248) 288-3220, Ext. 3561.
