Dear Royal Oak Schools Community,

At this time of year, we often think about what makes us thankful. I, of course, am thankful for the opportunity to serve a district that is full of thoughtful and passionate staff, students, parents and community members. But I am also proud to be part of a community that appreciates the importance of giving back.

Earlier in October, I joined a group of Interact Club students from Royal Oak High School on a field trip. We visited the 2018 volunteer site of Life Remodeled, a non-profit organization serving Detroit neighborhoods, whose staff and volunteers engage in annual projects to remodel, repair and beautify over 300 city blocks in six days. We were able to make a small contribution to this enormous initiative by clearing out an alleyway in the former Central High School neighborhood. Our students spent a few hours cutting, digging, mowing and hauling away debris and brush to make the alley a clear and safe pathway for residents. Although it was heavy-duty work, our students and staff believed the improvements they made were worth a little soreness the next day (student reflections on the day can be heard on our website). Local residents also volunteered during two days of Life Remodeled’s week-long project. Thank you to those who helped make an impact.

Service opportunities for our students are plentiful throughout the school year, from park cleanup days to the numerous service-oriented clubs at ROHS. I’m happy to announce that we are preparing for the third annual MLK Day of Service on January 21, 2019. The activities will take place at Royal Oak High School this year, and we look forward to hosting members from Royal Oak and Berkley for this “day-on instead of a day-off.” Mark your calendars and be sure to keep an eye on royaloakschools.org and the district’s social media channels for more information.

The following pages provide a look into our Community of Excellence. National Merit students, our successful financial audit, new employees and the high level of engagement we witness every day are only a few examples that show our community’s commitment to excellence.

And for that, I am thankful.

Sincerely,

Mary Beth Fitzpatrick, Superintendent of Schools

Registering for Kindergarten

Royal Oak Schools is pleased to welcome children and their families to kindergarten. Kindergarten enrollment for the 2019-20 school year begins on Tuesday, January 22, 2019. Enrollment for all kindergarten programs district-wide is processed at our Central Enrollment office at 800 DeVillen, Royal Oak, MI.

We encourage families to visit the “Enrollment” section of our district website, www.royaloakschools.org, for information. Our enrollment web page also provides families the opportunity to complete much of the enrollment paperwork online. We look forward to partnering with you on your child’s education.

All parents are invited to attend Kindergarten Parent Information Night at their neighborhood school on January 17, 2019 at 6:30 p.m. Attendees will see their schools, meet staff and and learn about the curriculum, plus receive details about a new district developmental kindergarten program.

Michigan State Law stipulates that a child be five (5) years of age on or before September 1 in order to enroll in kindergarten for the 2019-2020 school year. If a child is not five (5) years of age by the September 1 enrollment eligibility date, but will be five (5) years of age no later than December 1, an option for parents or guardians to enroll the child in kindergarten for the 2019-20 school year is available. An Age Waiver form will be available on our district website. Please feel free to call the Enrollment Office for further information.

District Central Enrollment Office
800 DeVillen, Royal Oak, MI 48073

Enrollment Office Hours:
Monday - Friday, 7:30 a.m. - 4:00 p.m.

Phone:
(248) 435-8400, Ext. 1260
Fax: (248) 280-2591

To register a child for school, after completing the online pre-enrollment at www.royaloakschools.org/district/enrollment, parents should bring the following with them to the Enrollment Office:

Enrollment/Registration Required Documents

- 2 Proofs of Residency
  - Lease Agreement (plus page with landlord and tenant signatures)
  - Mortgage Statement (within last month)
  - City Assessor’s Tax Statement (current year)
  - Current Utility Bill or Cable Bill (within last month)
  - Notarized Affidavit of Residence if living in someone else’s home/apartment
    - Homeowner’s driver’s license and two proofs of his/her residency
  - Driver’s License (of parent or guardian)
  - Birth Certificate (original or certified copy with raised seal)
  - Immunization Records
  - Vision Screening Required for Kindergarteners
  - Court documents, if applicable (guardianship, foster care, etc.)

Great Start Readiness Program (GSRP)

The Royal Oak Schools Great Start Readiness Program (GSRP) currently offered at Addams Early Childhood Center is designed to get your four-year-old ready for Kindergarten. The program runs from mid-September to mid-May each year, following the district holiday and break schedules. The classroom is staffed with a certified K-8 teacher with ZA endorsement (early childhood emphasis) and an associate teacher. The student-to-teacher ratio is 8:1. Classes are held Monday through Thursday. This program is fully licensed through the State of Michigan.

GSRP is a state program that is funded through a grant from the State of Michigan Department of Education. For qualifying families, there is no cost to participate. GSRP is not solely based on financial need. In order to qualify, your child must meet two of eight factors that place them into the “at risk” category which include instances such as parents with low education levels or homes where the primary language is not English (as defined by the grant provided through the State of Michigan). Please contact the GSRP teacher at (248) 288-3220, Ext. 0 for further information.

Kindergarten Vision Screening

Michigan law requires a vision screening for kindergarten entrance. A vision screening done by a health department technician, physician or eye doctor fulfills this requirement.

The Oakland County Health Division offers free vision screening for Oakland County residents. Call (248) 424-7070 to schedule an appointment.

Changing Residence and School Enrollment

Parents/guardians of all Royal Oak School district students who change their residence during the school year are required to update their address information with the Central Enrollment Office, 800 DeVillen, Royal Oak, MI 48073. Please check the “Enrollment” section on the district website (www.royaloakschools.org) for required/acceptable proofs of residency and a Change of Address form.
Four ROHS Students Recognized by National Merit Organization

Royal Oak High School senior Richard Johnson was recently named a Semifinalist in the National Merit Scholarship Program. Three additional students were recognized as Commended Students. They were:

- Jacques Finch, a member of the tennis team, National Honor Society and Interact Club
- Thomas McEwen, a member of track and field, French club, National Honor Society and an officer of the Ping Pong club
- Elliot Widd, a member of the National Student Advisory Board for Everytown for Gun Safety and a National Hispanic Recognition Program Scholar

“We are always proud to have students recognized in this national competition,” ROHS Principal Michael Giromini, said. “The National Merit Scholarship Corporation honors the country’s scholastic champions while furthering our mission to challenge ROHS students to become productive, life-long learners.”

More than 1.6 million juniors from nearly 22,000 high schools entered the 2018 National Merit Scholarship Program by taking the 2017 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). The Semifinalists represent less than one percent of U.S. high school seniors and the highest scoring entrants from each state. The number of Semifinalists in a state is proportional to the state’s percentage of the national total of graduating seniors. Commended students each placed among the top 50,000 students based on their 2017 PSAT scores.

“While Rick scored well on both sections of the PSAT, it is mostly his math score that contributed to his high overall score,” Suzanne Johnson, Rick’s mom, said. “His sixth-grade middle school teacher, Mrs. Landis, helped him see he had an aptitude for it. From there it’s been his natural talent combined with some great teachers and exposure to the material that enabled him to do well and earn this award.”

Scholarship winners will be chosen from a pool of 15,000 Finalists and will be notified between March and July 2019.

Save the Date: Preschool & Child Care Information Night

The 20th Annual Preschool & Child Care Information Night sponsored by the Royal Oak Public Library will be hosted Monday, January 28 from 7:00 to 8:30 p.m. at the Royal Oak Farmers Market, 316 East Eleven Mile Road. Parking will be free.

Addams Early Childhood Center representatives will be on hand to talk to parents and answer questions about the various programs offered, including:

- Preschool Program for three-, four- and five-year-olds. Three-year-olds meet on Tuesday and Thursday. Four- and five-year-olds meet Monday, Wednesday, and Friday. The AM session meets from 9:00-11:30 a.m. and the PM session meets from 1:00-3:30 p.m.
- Early Childhood Special Education Program for eligible preschool children ages three to six
- Early Childhood Special Education Services for eligible children under the age of three, who are Royal Oak residents
- Young Oaks Before and After School Child Care Program
- Great Start Readiness Program
- Child Care Program Full or Part-time for two and one-half to five-year-olds

National Merit students (l to r); Richard Johnson, Jacques Finch, Thomas McEwen, Elliot Widd.
Community Celebrates ROHS Athletic Plaza with Grand Opening, Major Ravens Win

The Royal Oak High School Athletic Plaza Community Grand Opening started by showing off new construction, but it ended with reclaiming some weathered concrete.

On Friday, September 14, the district welcomed students, staff, families and the community to the new ROHS athletic plaza. Attendees saw changes made at the field and learned about what is to come, including landscaping at the site and further updates around the district.

All district schools had a hand in making the event a success. Oakland, Addams and Keller had treats for attendees, while other schools hosted activities. Royal Oak Middle School brought a DJ and basketball hoop, Churchill brought lawn games crafted by its students, Addams ECC setup a play area and Oak Ridge conducted science experiments.

Following the event, the Royal Oak Ravens Varsity Football team went on to play the Berkley Bears.

The student section was packed during the annual Salute to Service and Hometown Heroes game. Attendees wore red, white and blue to honor first-responders and military personnel, and the ROHS choir performed a patriotic show between the third and fourth quarters.

The Ravens finished the night by defeating Berkley 37-0. The victory also reclaimed “the curb” for ROHS, a concrete trophy signifying the border between the two cities created by Woodward Avenue.

“It was a great atmosphere for the students and the community and our team really fed off of the positive energy,” Ray McMann, varsity coach, said. “This game was truly a team win, not only for the team but the community as well.”

Q&A: Meet Royal Oak’s New School Liaison Officer

Name:
Joe Yerke, Royal Oak Police Department School Liaison Officer

Previous experience: 7 years as a police officer in Royal Oak and Detroit, 13 years as a Royal Oak community center director for the Salvation Army

Why did you want to be Royal Oak’s school liaison officer?
Officer Yerke: For the longest time, I worked for the Salvation Army as community center director and youth director, so I’ve always worked with kids, trying to help them go the right way. So then when I got into law enforcement, my focus was still the same thing.

What does your new job include?
OY: The school liaison officer is the middle man between the juvenile and the legal system. I get kids back on track who need it by providing access to resources like family assistance, codependency support and counseling, all while trying to help them keep a clean record.

What has your favorite part been since taking on this new role?
OY: Being a part of the community because this is where I grew up. I went to school here (at the high school), my elementary school used to be across the street, and my junior high is now the school board office. I live close, and most of my free time is spent within Royal Oak. Interacting with students, parents, social groups, and the community is great because I like knowing I’m able to help out those that are around me and the people I interact with everyday whether I’m on or off duty.

What do you like to do in your free time?
OY: In my free time? Man, I hardly get any. I love spending time with my kids. Even if it’s just a barbeque with my family, I love it. And, I’m into music and video games.

What are you most looking forward to in your new position?
OY: I would hope that by stepping in I can make an impact in the schools, even if it’s just one kid. I hope that I can be the one that can help a kid think twice about a decision he’s going to make. I’d also like to make an impact in the way people see police officers, viewing us as people there to help. I also think I can help families by lending a local perspective to the issues involving community safety as a parent of Royal Oak students and someone who grew up in the community.
Royal Oak High School Hall of Fame
Seeks Nominees
Deadline December 31

Community members have until December 31 to nominate deserving alumni and staff for the Royal Oak High School Hall of Fame for its next induction ceremony. The form is online at www.rohshalloffame.com or can be downloaded as a pdf document from the site. Nominations can also be mailed to Royal Oak High School Hall of Fame c/o Ann Maudlin, 1500 Lexington Blvd., Royal Oak, MI 48073.

Alumni nominated should be a graduate who has excelled in some way in the local, state, national, or global arena. Examples include, but are not limited to: public service, business, education, entertainment, fine arts, athletics, science and technology, career or any other prominent area.

The Hall of Fame seeks to also honor exceptional staff members (administrators, coaches, secretaries and support staff).

The criteria for nominees are as follows:

Required for Graduates:
• The nominee must be a graduate of a Royal Oak public high school
• Ten years must have passed since the date of his/her graduation

Required for Educators:
• The nominee must have completed 20 years of service (or more) in a Royal Oak public high school.

Suggested for ALL Nominees (some or all of the following criteria should be evident in the candidate’s nomination):
• Service to local, national and/or global communities (within the realm of one’s career or independent of it)
• Distinctions and/or awards that reflect excellence, advancement, and achievement in career, service or both (including military recognition)
• Longevity of efforts (nominee’s service extends over time, and is long and powerful enough to establish a lasting legacy)
• Scale/scope of impact
• Generosity and warmth of spirit (extending one’s self beyond the ordinary parameters of the job)

Featured School:
Northwood Elementary

Each issue, Royal Oak Schools aims to highlight a building, giving the community a look at the school beyond what it sees from the outside. This time we’re featuring Northwood Elementary.

Principal: Angela Ashburn
Grades: K-5
Number of students: 458
Cross streets: 12 Mile and Crooks

From Mrs. Ashburn:
“The community is what makes Northwood special. Our community supports education and our students benefit from their generosity. This generosity comes in many forms. One of the most valuable is the gift of time. Our volunteers help with events, work with students and help us in countless other ways. Teachers also give their time running clubs, attending events and growing as learners. Seeing this brings me an immense sense of pride in our students, staff, school and district.”

New for 2018-19
The school is launching a new program this year called “Northwood Nests” to create an environment of respect, integrity, teamwork and responsibility. Each group, or nest, will be made up of students that range K-5. They will meet five times throughout the school year to cover various character education lessons, plus build long-lasting relationships with staff members and students from other grade levels.

Royal Oak Schools Financial Audit Receives Highest Level of Confidence

Auditors from Yeo and Yeo CPAs and Business Consultants recently gave the district’s audit an unmodified opinion, the highest level of confidence that can be received for such reports.

David Youngstrom, Principal, explained that the district met the budget set the previous year.

“There’s been a lot of growth in our revenue and our expenses this year,” Youngstrom said. “But with all the changes we’ve had, all of the new challenges that we brought and all the things that happened, we came in break-even with a lot of good things happening in the district.”

Youngstrom also commended the finance staff for preparing for audit and the work they do on a daily basis.

In terms of the coming year, Youngstrom told the board that funding is always related to the state economic and political conditions. The challenges Royal Oak may face include rising fringe benefit costs, increasing retirement rates and special education costs, are consistent with other districts in the area.

To see the complete audit report, visit royaloakschools.org.

Food Services in Our Schools

Students in our Royal Oak Schools have breakfast and lunch service available on a daily basis. Students who qualify can obtain these meals for free or reduced rates. Families who believe they may qualify for free or reduced priced meals should complete an application form available on the Food Services page of the district website (www.royaloakschools.org).

Digital lunch and breakfast menus for all meals are available on the district website. The menus include nutrition information for every item on the menu. To view menus, go to: www.royaloak-schools.nutrislice.com. No username or password is needed. Just visit the website and choose your school and menu type (breakfast or lunch). When you hover over menu items, nutrition information will appear (calories, fat, saturated fat, trans fat, cholesterol, sodium, total carbs, sugar and protein). This site also has enhanced navigation features for food allergies and dietary concerns. An app for handheld devices and multiple languages is also available.

Chartwells Dining Service which provides Royal Oak Schools Food Services also offers catering services. Catering acts as a fundraiser for the school lunch program. Catering menus may be found on the district website under district, click departments, then food services. To plan an event menu, call (248) 435-8400, Mike Jacobs, Ext. 1122 or Michelle Ziegler, Ext. 1124.
